

BEGAN SEVERAL DAYS AGO.

Fierce Fighting in the Business Quarter of Crowded Bombay.

LONDON, August 16.—The rioting in Bombay began on August 11th. The Mohammedans of the city were observing one of the festivals commanded by the Koran and the day was also a holy day with the Hindus and they were celebrating it. Religious fanaticism led to a fierce fight in the streets. The Mohammedans then attacked one of the Hindu temples, intending to sack it. The priests of the temple, aided by their followers, succeeded in defending the temple, but the fighting among the infuriated populace continued until the troops interfered. The fighting was general throughout the business portion of the city. The shops were shut and all business was suspended.

The troops did not succeed in restoring order without considerable trouble. Bodies of them were massed in the chief native centers and armed patrols kept the streets clear. The feeling between the factions was so bitter, and it was so evident that the trouble was not over, that the merchants and shopkeepers did not try to resume business. The factories were closed and more troops sent for. Outside the patrol lines the fighting continued.

By August 16th it was known that fifty persons had been killed and 1200 arrests had been made. On August 14th the trouble seemed to be over. The shops were opened and preparations were made to withdraw the troops.

LONDON, Aug. 17.—The trouble in India is likely to be short-lived. Rioting has not been renewed.

AS A KAISER'S GUEST.

Return of an Exiled Polish Catholic Cardinal.

LONDON, August 13.—Cardinal Wiczeleus Ledochowski, whom Bismarck imprisoned in the fortress of Ostroxo and then expelled from Germany seventeen years ago as the chief victim of the Kulturkampf, is now to return on a visit to Prussia and Poland as the guest of the German Emperor. Vast preparations are making for popular demonstrations at Posen and throughout his former archdiocese. He is to celebrate mass at the shrine of St. Adelbert, in the Ancient cathedral at Genesen, amid such a gathering of Poles as has not been seen anywhere since 1863.

Officials in Russian Poland are vigilant in blacklisting Polish noblemen and leaders suspected of the intention of crossing the frontier to participate in these festivities, and ever since the visit was announced Warsaw has been under even a more terrible burden of despotic martial law than before.

Ledochowski was a strong, handsome, middle-aged man when banished as a traitor from Germany. He returns now as the feted imperial guest, a white-haired septuagenarian, prefect of the propaganda and the most powerful of all the politicians at the Vatican. His visit deserves to be noted among the most momentous events of the year.

SUGAR BEETS.

California Raised More Than Any Other of the States.

WASHINGTON, Aug. 7.—The forthcoming report of the Commissioner of Internal Revenue will show a large increase in the output of sugar made in the United States from beets and sorghum. The total acreage for the past year was 24,793, or 57,000,000 pounds of sugar, exclusive of that manufactured from cane in Louisiana and vicinity. California raised more sugar from beets than any other State, and her increase of output for the year was the greatest. There were 15,993 acres planted in California and 43,500,000 pounds of sugar were made. This is said to be an increase of about thirty-five per cent. Nebraska raised 7,000,000 pounds of beet-sugar on 4900 acres; Kansas raised about 1,800,000 pounds of sorghum on 3953 acres; Utah raised 6,000,000 pounds of beet-sugar on 3500 acres; Virginia raised 700,000 pounds of beet-sugar on 400 acres.

SMALL CROPS OF POOR WHEAT.

Cereals in Illinois Will Fall Below a Low Average.

SPRINGFIELD (Ill.), August 7.—Reports made to the State Board of Agriculture on August 1st indicate that the average yield of winter wheat will be the smallest since 1885, and makes the crop one of the smallest ever known. The quality is very poor, and in a few counties it is not salable for flour at any price. A good deal of it will not grade over No 3. The prices obtaining are the lowest since 1860. Oats are seriously damaged by rust. The condition of corn is much better than for the corresponding period last year.

Aim at the Drake

And you are bound to hit some of the ducks. This is precisely the same with

Wampole's Tasteless Preparation

OF Cod Liver Oil.

It aims to cure Consumption, Hits the Mark, too, and it most effectually breaks up Colds, Coughs, Hoarseness and all Throat and Lung troubles that cause this disease.

It is natural logic to conclude that if WAMPOLE'S PREPARATION OF COD LIVER OIL has power to prevent Consumption, it surely is able to cure these lesser emergencies.

This vigor-making, fat producing preparation is Absolutely Tasteless, in so far as Cod Liver Oil is concerned. All you notice is a delightful flavor of Wild Cherry and Anise.

But the purest Norwegian Cod Liver Oil is there all the same. It is a great blood enricher. Best of all it is a natural food that in its stomachic effects, actually assists its own assimilation.

In Pulmonary or Bronchial troubles it is unequalled. No one doubts the value of Cod Liver Oil, but not every one is able to take it.

WAMPOLE'S PREPARATION removes the nauseous objection and actually makes Cod Liver Oil palatable.

The Hawaiian Annual now in its Nineteenth year, and acknowledged not only as the best authority on all information pertaining to the islands that residents should know and strangers invariably ask, but the only reference book of Hawaiian statistics, and annual recorder of current and remissive events. There are homes probably in this land in which it is unknown, except by name, and there are numerous friends abroad to whom this publication would afford untold satisfaction for the fund of reliable information it imparts in its one hundred and fifty or more pages, with nothing of the "Guide Book" gush about it. Price per copy to any address in these islands, 75 cents; or mailed to any address in the Postal Union for 85 cents each.
